About the Course

The Association of Professionals Specialising in Addiction Counselling (APSAC) is pleased to offer the Certified Addiction Counsellor Training Course for social workers, counsellors, psychologists and other professionals working with clients facing substance and behavioural addiction problems.

The goal of this course is to increase participants' knowledge and skills in the recognition, assessment, diagnosis and treatment of substance abuse and dependence.

This comprehensive course will equip participants with a strong theoretical and clinical base from which to deliver substance abuse treatment services.

Course Coverage

- An overview of Addiction Counselling
- Individual, Group and Family Counselling for Addicted Clients
- Psychopharmacological Aspects of Addiction
- Case Management of Addicted Clients
- Dual Diagnosis
- Addiction & the Family
- Law & Ethics in Addiction Counselling

Counsellor Certification

This course provides 40 hours of addiction-specific education. Upon successful completion of this course, eligible participants can opt to sit for the Certified Substance Abuse Counsellor (CSAC) certification exam scheduled for **Saturdays, 23 and 30 Nov 2019**. An exam fee will apply.

To determine your eligibility to sit for the certification exam, please visit APSAC's website: <http://apsac.org.sg/>

As a Certified Substance Abuse Counsellor, the professional demonstrates that he or she possesses knowledge and expertise in addiction counselling that commensurate with the competency standards set forth by APSAC.

APSAC is a Member Board of the International Certification & Reciprocity Consortium (IC&RC). Member Boards offer reciprocity to counsellors certified or licensed in other jurisdictions.

Continuing Education

All participants completing this course will receive 40 continuing education units from APSAC. A certificate of attendance will be presented upon completion of the course.
